BRUCE MOLER

Design Support

1450 W 228th Street #15 in Torrance

310-326-2840 | bruce.designsupport@gmail.com | designsupportwoodworking.com

DESCRIBE THE PROJECT YOU FEATURED.

The photo is from a beautiful Strand home in Hermosa Beach. The home features a contemporary kitchen, constructed in African mahogany, with an English Sycamore island fascia and a Hawaiian Koa floating bar top.

TELL US ABOUT YOUR FIRM AND THE SERVICES YOU OFFER.

Design Support specializes in custom, high-quality cabinets, custom built-in furniture and millwork. We have been serving the South Bay's top builders, architects and designers since 1985. Producing the consistent, high-quality woodwork we are known for requires an absolute commitment to the craftsmen who call Design Support their home. Most of our employees have been with the company more than 10 years—some as long as 25. We give them the designs, equipment and time

to produce products that they are proud to put their names on. With more than 60 years of combined experience in the office, we have the capability to work with a wide range of designs and materials. We are also proud to offer our clients very competitive pricing. Our equipment, systems and experience allow us to be very efficient with our manufacturing time, which allows us to keep our costs low and pass the savings on to our clients.

WHAT IS THE MOST VALUABLE SERVICE YOU OFFER TO CLIENTS?

We make every effort to stay on schedule and work with the other subcontractors to make their jobs go smoothly. We build beautiful products that function correctly and last a lifetime. We listen to the client and try to make their dreams as important to us as they are to them.
